

Asahi/America Inc.

PE 100-RC End Connectors

PE 100-RC DIN Socket

PE 100-RC Butt

- Engineered for use with Asahi true union T-21/23 Ball & T-14 Diaphragm valves
- For use with PVC and CPVC valves only
- Fusion joint connection between Asahi true union valve & HDPE piping
- SDR 17 & SDR 11 HDPE piping
- Machined from PE 100-RC
- Resistant to slow crack growth (RC)
- Din Socket and Butt fusion joining technology
- Cell Classification: 345445C
- Excellent Chemical Resistance
- Max Pressure 230 psi (check valve & piping system ratings)
- Max Temperature 140°F (check valve & piping system ratings)

PE 100-RC True Union Valve End Connectors

Size	Description	Valve Type	DIN Socket	Butt Fusion	List Price
			Part number	Part Number	
1/2"	PE 100-RC End Connector only	Type-21/23/14	3189005	3190005	14.00
3/4"	PE 100-RC End Connector only	Type-21/23/14	3189007	3190007	18.00
1"	PE 100-RC End Connector only	Type-21/23/14	3189010	3190010	20.00
1-1/4"	PE 100-RC End Connector only	Type-21/23/14	3189012	3190012	24.00
1-1/2"	PE 100-RC End Connector only	Type-21/23/14	3189015	3190015	40.00
2"	PE 100-RC End Connector only	Type-21/23	3189020	3190020	50.00
2"	PE 100-RC End Connector only	Type-14	3189022	3190022	50.00
2-1/2"	PE 100-RC End Connector only	Type-21	N/A	3190025	62.00
3"	PE 100-RC End Connector only	Type-21/23	N/A	3190030	92.00
4"	PE 100-RC End Connector only	Type-21/23	N/A	3190040	148.00
