

List Price Increase Announcement for Listed Piping Systems

All customers,

Due to cost increases of raw materials and related supply chain events, it is necessary to increase our list prices on the following double-containment product lines, effective on January 1, 2022.

Duo-Pro® Fabricated Piping Systems

- PP x PP pipe will increase 12%
- PP x PP fittings will increase by 15%
- PE-100RC pipe and fittings will increase by 15%
- ECTEF x ECTFE pipe and fittings will increase by 15%
- ECTFE x PP pipe and fittings will increase by 15%

Poly-Flo® Double Contained Piping Systems

- PP & PE pipe will increase 6%
- PP & PE fittings will increase 12%

Any orders placed at standard distributor discounts, current pricing shall be accepted prior to January 1, 2022, or as supply allows. All orders placed after January 1, 2022, shall be based upon the new list prices.

Orders with special project pricing that are placed in December of 2021, shall be reviewed on a case-by-case basis; please contact your regional manager for updates. All special project pricing orders after January 1, 2022 will be based upon the new list prices.

Once posted, new list prices can be found online at www.asahi-america.com

Thank-You,
