

***Effective Immediately* - List Price Increase Announcement for Listed Piping Systems**

All Customers,

Due to the ongoing effects within the PVDF supply chain, it is necessary to increase our list prices on the following products.

High Purity

- Purad® PVDF piping only: 7% increase.
 - Fittings and valves are not affected.
 - New pricing will be available online.

Industrial

- Super Proline® PVDF piping only: 7% (few sizes) up to 18% increase.
 - Fittings and valves are not affected.
 - New pricing will be available online.

All new quotes and orders shall be based upon new list prices. All orders and quotes with special project pricing shall be reviewed and is subject to change, prior to formal order acceptance. Please contact your regional manager for updates.

Additionally, due to raw material shortages, the following products will move to POA. Please reach out to Customer Service for pricing and availability before submitting an order.

High Purity

- Purad® PVDF Z801 Gauge Guards: affected part numbers are below.
 - 17801303
 - 17801304
 - 17801305
 - 17801306

We have also updated pricing on our industrial welding PREP tools and SP-63 IR tool blades. New pricing can be found online.

Once posted, new list prices can be found online at www.asahi-america.com. Please reach out to your district manager or customer service at 1-800-343-3618 with questions.

Thank you,

Asahi/America
